How do I edit my profile or account?

Jelena - 2024-07-02 - About our platform & courses

On your "Profile" page you can see how your profile is displayed on the European Schoolnet Academy platform. Click on each section to add or edit the information. To edit information like your name, email address, and timezone, you have to go to the "Account" page via the menu on the top right (click on the triangle to reveal the menu).
