What is the European Schoolnet Academy's code of conduct?

Jelena - 2024-07-02 - About our platform & courses

As we are a very diverse group of course participants, it is important that we agree on a framework for interacting with each other. Therefore, please take a look at the Academy's Code of Conduct. **By continuing with our courses, you agree to abide by this Code of Conduct in all communications associated with those courses' activities**.
