Who can I ask for help?

Jelena - 2024-07-02 - About our platform & courses

If you need help, you're at the right place! If you have general questions about the European Schoolnet Academy, please check the other questions in this FAQ.

For specific questions about a course, please check with your fellow course participants, for example in the Facebook group.

If you still have a question or technical issue, please contact our helpdesk, and we will do our best to help you
